Thursday - 24 August 1978

1. (Unclassified - NDL) LIAISON Per his request, I sent the Agency publication entitled "World Steel Market Continued Trouble Ahead" to Frank Godfrey, in the Office of the Speaker of the House of Representatives.

2. (Unclassified - RJK) LIAISON Called the Senate Select Committee on Intelligence to inquire about the status of the Angola report. In the absence of Bill Miller, Committee Staff Director, and his secretary, the receptionist who answered the telephone advised that a final copy would be dispatched to Admiral Turner by courier this afternoon.

3. (Unclassified - RJK) LIAISON Talked to Scott Cohen, of Senator Charles H. Percy's (R., Ill.) staff, and outlined for him an appropriate response for a constituent inquiring about the case of Nicholas George Shadrin.

4. (Unclassified - MAO) LIAISON Sent to Dr. Everett Ehrlich, Congressional Budget Office staff, a copy of the Agency publication entitled "Prospects for Soviet Oil Production," per his request.

5. (Unclassified - RJK) LIAISON Rudy Rousseau, Senate Foreign Relations Committee staff, visited Headquarters for a current intelligence briefing on Burma. [ ] NFAC/ORPA, STAT presented the briefing and [ ] NFAC/CSS, assisted. STAT Dick McCall, also of the Committee staff, was scheduled to come but had to cancel at the last minute.

6. (Unclassified - MG) CONSTITUENT Received a call from Sally Rogers, in the office of Senator Strom Thurmond (R., S. Car.), who requested a copy of "USSR: Development of the Gas Industry." I told her the document could be obtained through the DOCEX Project at the Library of Congress.

7. (Unclassified - ELS) LIAISON Received a call from Tom Crowley, Senate Select Committee on Intelligence staff, who said a former Agency employee had contacted the Committee with regard to a 1976 EEO complaint. I suggested that he forward the matter to us in a letter and we would give him a response.
